Service Seven
We render and finalise your own products

Background You do have sketches and/or final products already designed but you need finalising.

Free your resources for more creative work, once they design the final product let us take the burden of rendering or technically designing it.

We can provide you with the final executions including technical drawings and rendering with the software of your choice.

Value You will receive the renderings according to briefing , turn-key, with the software of your choice. You will free time and energy to focus on the rest of your business.

Why us We work in a very agile and efficient way with professionals with top competence in the sector. Briefing, debriefing, project management, business intelligence all come on top of the turn key project you are buying from us.
The team is made of seasoned professionals who have a track record of brining products to the market.

LuciA Arrigucci has been working for over 20 years within productization with start-up, scale-up and established firms.
